## FORMAL HEARING

The formal hearing that was originally scheduled for Case 2014-33-B had been cancelled since the respondent has signed a consent order. The Board was briefed on the provisions of the Consent Order. It was noted that remittance for the fine had been included but the cost of the investigation was missing.

16-086. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson to accept the proposed Consent Order and conditionally issue the Final Order for Case 2014-33-B. It was determined that there was probable cause that Mr. Marshall Wayne Corlew, PE #12775 had placed his signature and seal to plans that contained errors and were generally incomplete. The accepted terms of the Consent Order are Mr. Corlew's professional engineer's license will be suspended for two years with that suspension stayed; he will pay to the Board a \$2,500 fine and \$275.00 for the cost of the investigation; he agrees to provide a quarterly list to the Board of the engineering projects he has performed, three projects of which will be selected from the list for review; and the Consent Order and Final Order will be a public record. ## LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed the status of the files pending with the Board, the Investigator, and/or the Investigative Committee. The Board was briefed on the 2015-2016 statistics.

The Board reviewed the recommended order provided by Ms. Billingsley, Administrative Law Judge, who had heard the hearing on March 30, 2016 against Mr. Roddy Fitzgerald. (Cases 2015-19-C, 2015-33-C, 2015-34-C, 2015-38-C and 2015-44-C.)

16-087. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace to go into executive session in order to deliberate. Ms. Hyde, Misters Barter, Christy, Grace, Johnson, and Whorton voted in the affirmative.

Mr. Albritton, Board Attorney, concurred that the reason to go into executive session was valid. Prior to going into executive session, Mr. Barter announced that the executive session would last approximately 15 minutes. The Board went into executive session at 12:45 P.M. and came back into open session at 12:55 P.M.

16-088. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to accept the recommendations of the Administrative Law Judge with modifications. Due to the severity of the issues, the civil penalty was increased to \$25,000 payable to the General Fund plus \$5,243.75 for the cost of the hearing payable to the Board. MOTION CARRIED 6-0.

The Board reviewed the transcript and the recommended order for Mr. James Glenn Karolyi, Case 2015-48-B (Mr. Grace directing), for a hearing that had been held without the Board present.

16-089. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to accept the recommended order from the Administrative Law Judge with the modification that Mr. Karolyi's PE license will remain in suspended status until he completes the audit requirements and pays the fine and the cost of the hearing. MOTION CARRIED 5-0 with Mr. Grace recused.

The Board reviewed pending cases that the investigative committees have completed to accept, modify, or reject the suggested courses of action. Cases that are being recommended for closure or where they are recommendations from the investigative committee are discussed in a sanitized format so that in the event the Board suggests another course of action that the due process of the investigation has not been compromised. Respondent's information is not divulged until after a proposed consent order is accepted and a final order is approved.

16-090. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace to accept the proposed Consent Order and issue the Final Order for Case 2016-02-C. It was determined that there was probable cause that Brown Machine & Fabrication, an uncertificated firm had offered engineering and design services without employing a licensed professional engineer and obtaining a certificate of authorization for engineering. The accepted terms of the Consent Order are Brown Machine & Fabrication must cease and desist advertising engineering on its web site, the firm must pay the Board \$200 for the cost of the investigation and must pay a civil penalty of \$250 to the General Fund. The Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Mr. Barter recused.

16-091. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to accept the proposed Consent Order and issue the Final Order for Case 2016-03-C. It was determined that there was probable cause that Mr. James A. Mitchell, a registered architect had performed engineering without first being licensed as a professional engineer. The accepted terms of the Consent Order are that Mr. Mitchell will cease and desist the practice, or the offer to practice engineering in Alabama, he will pay the Board \$925 for the cost of the investigation and must pay a civil penalty of \$2,000 to the General Fund. The Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Mr. Grace recused.

16-092. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace to accept the proposed Consent Order and issue the Final Order for Case 2016-04-B. It was determined that there was probable cause that Mr. John Farris Crenshaw, PLS #29978 had signed and sealed a survey that contained violations of the standards of practice for land surveying in Alabama. The accepted terms of the Consent Order are that Mr. Crenshaw's PLS license will be suspended for 2 years with that suspension being stayed, he will pay the Board \$2500 fine, and he must provide to the Board upon request a list of surveying jobs performed within one-month period during the stayed suspension with the surveys being randomly selected for compliance review. The Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Mr. Christy recused.

- 16-093. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace to close Case 2016-06-B with no formal action. MOTION CARRIED 5-0 with Mr. Johnson recused.
- 16-094. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace to close Case 2016-11-B with no formal action. MOTION CARRIED 5-0 with Mr. Johnson recused.
- 16-096. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace to close Case 2016-15-C with no formal action. MOTION CARRIED 6-0.
- 16-097. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace to accept the proposed Consent Order and issue the Final Order for Case 2016-14-B. It was determined that there was probable cause that Mr. Robin Daniel Bell, PE #32141, had plead guilty to a felony. The accepted terms of the Consent Order are Mr. Bell's PE license is revoked and he may not apply for reissuance of that license for a period of 3 years from the date of the Final Order. The Consent Order and Final Order will be a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Mr. Whorton recused.
